The President's Commission on Executive Exchange THE WHITE HOUSE

December 1, 1986

Dear [REDACTED]

STAT

I have received your letter of November 21, 1986
concerning [REDACTED]

STAT

[REDACTED] participant in our Executive Exchange
Program and concur that [REDACTED] credentials
are, indeed, very impressive.

STAT

Unfortunately, [REDACTED] has elected to accept
another assignment which he feels will challenge his
technical background and perhaps, give him a broader
spectrum of government affairs.

STAT

Because of the caliber of executives nominated for
this program a rapid response has always been the
key to getting the type of executive you so desire.
[REDACTED] is just one of the exceptional execu-
tives nominated for the Executive Exchange Program
this year. I am prepared to identify another outstan-
ding executive for an assignment with CIA.

STAT

Again, I appreciate your support and hope that we can
establish a CIA exchange for the 1986-87 President's
Commission on Executive Exchange Program.

Cordially,

June G. Walker
Executive Director
